

U.S. National Phase of PCT/JP2004/016628
Filed: November 10, 2004
Preliminary Amendment filed herewith

REMARKS

Applicants submit herewith a translation of the application including original claims 1-12. Applicants have amended the claims in order to reduce the initial filing fee by deleting the multiple dependent claims from the application by canceling claims 1-12 and adding new claims 13 - 32 to the application. Applicants retain the right to reintroduce any subject matter canceled by the present Amendment at any time during the prosecution of this application or any further application claiming benefit of this application.

Applicants are submitting herewith a copy of the Search Report which issued on International Application No. PCT/JP2004/016628, of which the present application is the U.S. national phase. All of the publications cited in the International Search Report are listed on the attached Form PTO-1449. It is Applicants' understanding that, under the procedures of the PCT, copies of the cited publications will have been supplied to the U.S. Patent Office by the International Bureau. However, the Examiner is invited to contact the undersigned attorney if additional copies are necessary or would facilitate examination of the present application.

Otherwise, the Examiner is respectfully requested to return an initialed and dated copy of the attached Form PTO-1449 to confirm that all publications listed thereon have been considered and made officially of record in the file of this application.

Applicants understand that, under the procedures of the PCT, a copy of the priority document (2003-385860, filed November 14, 2003) will have been supplied to the U.S. Patent Office pursuant to Rule 17 of the PCT Regulations. It is therefore respectfully requested that the first Official Action in the present application contain an indication that the appropriate priority document is in the file of this application.
